

A window ...

... to a whole new world
at Donata County

Donata County is our newest project coming up in Jalahalli - one of the quieter residential areas of Bangalore. This is where green is still green and the hustle and bustle of the inner city is far away.

And this is where we, at Donata Group are working hard to give you a very private community of exclusive row housing. Donata County will be a small world of your own, carefully planned to give you privacy, comfort and convenience. The kind of place you'd love to call 'home'.

Privacy
& Space

Your row house at Donata County comes with a private lawn area, a terrace garden and basic interiors that allow maximum space utilization. We have also placed a great emphasis on natural lighting, free-flowing ventilation and Vaastu compliance. Another aspect you will notice is the beautiful balance between living and leisure with no wastage of space.

Interestingly, we have planned an alleyway and a back entrance for your service staff. This will also provide ease of access to your house for deliveries and maintenance. Your row house will also have en suite living quarters for your service staff.

Open Spaces
& Recreation

Donata County will have broad tree-lined avenues - perfect for morning walks and early evening strolls. While indoor spaces give you optimum utility and recreation areas, we have taken special care to plan outdoor spaces that breathe.

Your clubhouse at Donata County

County Club is a full-facility clubhouse with a swimming pool, gymnasium and steam room accompanying an indoor shuttle court, squash court, community hall, card room and gaming area for all age-groups to relax, rejuvenate and stay healthy.

Quality
& Efficiency

The look, feel and finish of the paints, wall surfaces, wood and utility surfaces will be highly professional and standardized, without any variance. Keeping design aesthetics in mind we have planned high-end quality fittings for kitchen and bath areas.

Experts in the field have planned the piped-in lines for water supply, electricity and communications. We ensure that the best of workmanship and skills will go into a support system that will work efficiently and flawlessly for years to come.

Retail
Convenience
at Your
Doorstep

What adds to the exclusivity of Donata County is a shopping complex that's being developed by us as an annexe, to meet the needs of residents in the community. While the arcade won't intrude into the Donata County enclave, it's just next door with easy access.

For the shopping complex we will invite leading franchisees to set up a supermarket, pharmacy, salon, ATM facility, and lots more.

Bespoke
Interiors

At Donata Group, we believe you should have the freedom to decide on the basic look and feel of your home. Which means you can personalize the interiors with your choice of flooring, fittings, sanitary-ware, kitchen counters, paints and finishes. It's important that this is done early, at the concept stage itself so we can cater to your needs and tastes.

With a one-on-one interaction, we can ensure that the process flows easy and matches your vision - from booking till completion.

The Team
Behind
Donata

Donata Group, a new-age construction and development enterprise, prides itself on its ability to consistently provide the best in terms of quality, perfection and unique customer relationship management. The group is led by a team of professionals with extensive industry experience, and our projects reflect a sophistication derived from careful planning and inspired architecture.

With 20 years of experience, we reflect the highest standards in living spaces and project design. We also pride ourselves on being an honest, transparent partner when it comes to one of the biggest decisions of your life. Your home.

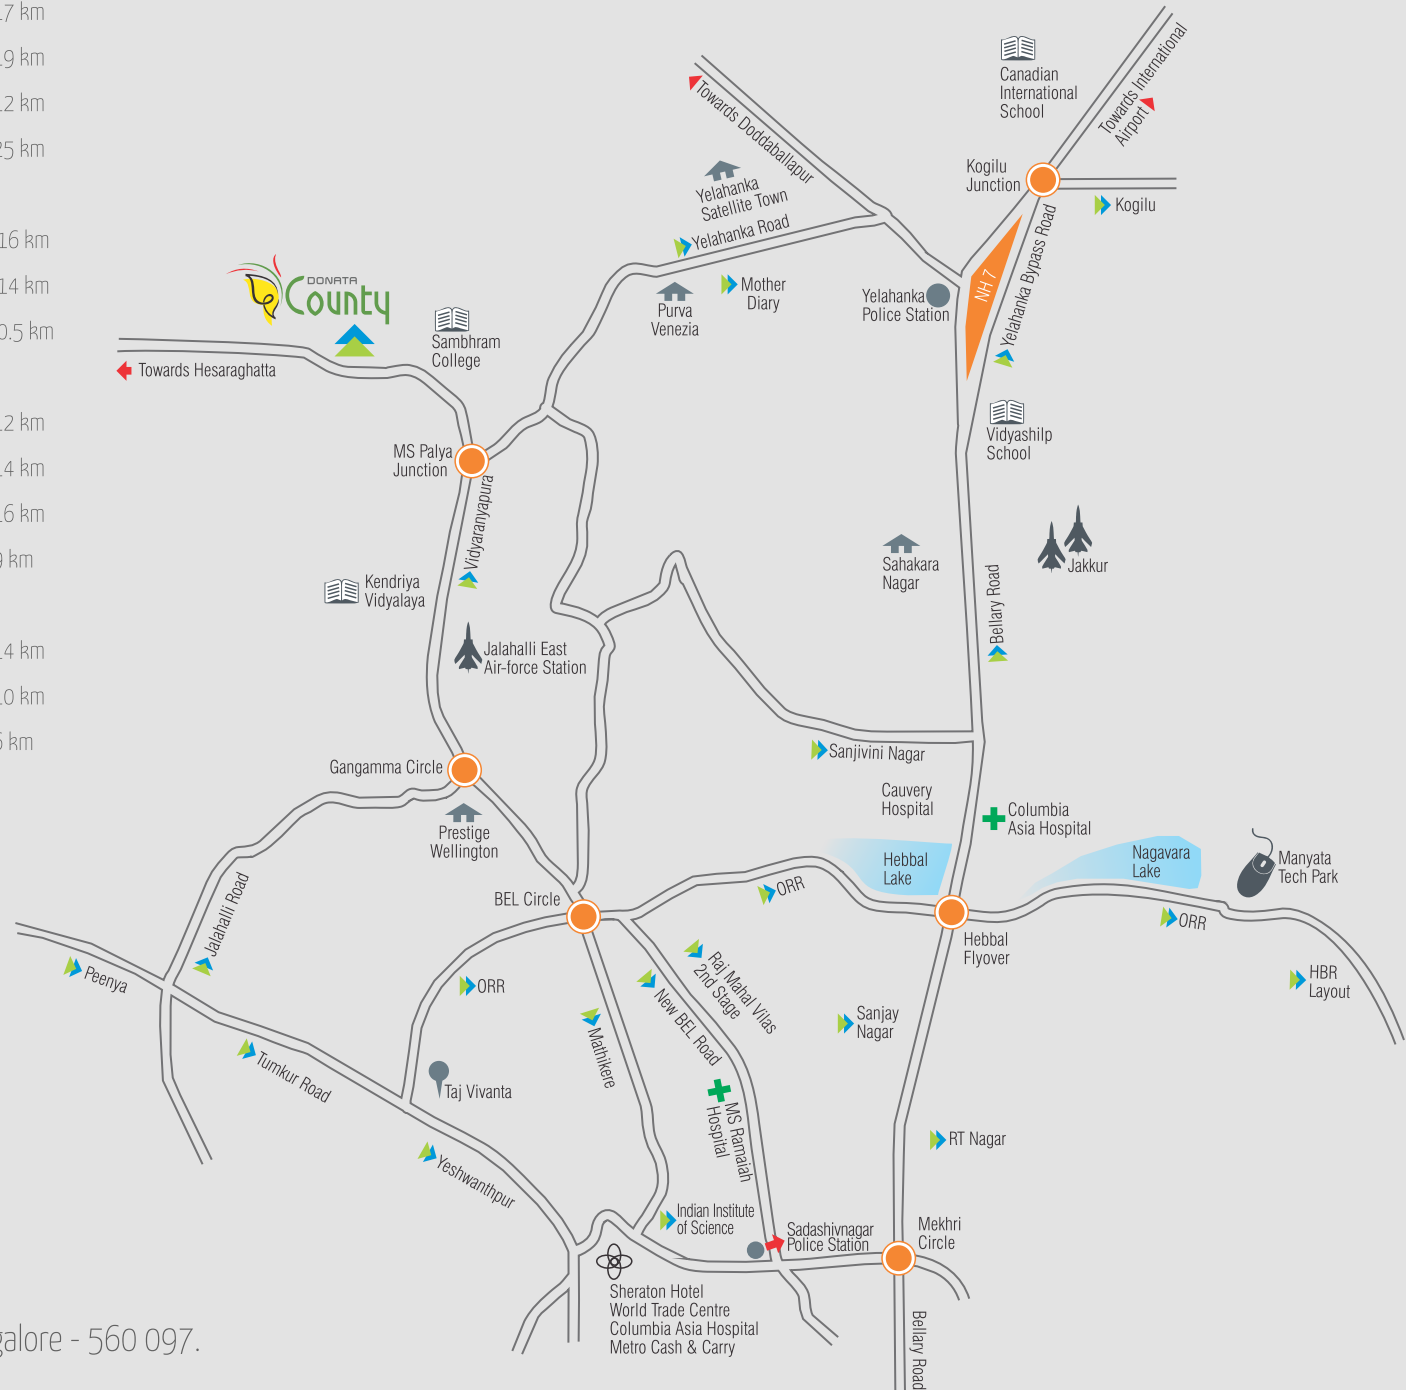

Our Mission

“To build living spaces that deliver value and customer satisfaction. To blend our expertise with experience in delivering perfectly executed projects. To work towards one end-objective that is a reward in itself: owner’s pride...”
